## DEDICATION

MR. SAMUEL D. GRATKE

"If you care, I care. I am not making you work for me—I am directing the work you are doing for yourself." These words, spoken by Sam Gratke, illustrate his attitude toward teaching. Through his numerous and highly varied experiences he has collected a staggering amount of knowledge and wisdom with which to guide his students. Anyone who knows Mr. Gratke cannot fail to recognize the high standards he demands of himself. When asked his goal in life Mr. Gratke replies, "I want to be capable of asking intelligent questions about any subject." In appreciation for the intellectual stimulation and excellent instruction he has provided throughout the years, we proudly dedicate the 1965-1966 ROAR to Mr. Samuel D. Gratke.

## FOREWORD

A common quirk of human nature is to recognize value after the valuable has ceased to exist. As time progresses, such may be the case with the 1965-66 school year at R. L. Turner. Now, everyone is so caught up in the swift pace of deadlines to meet, work that must be completed, and experiences that must be felt, that the true concept of our school is somewhat blurred and vague. In compiling the ROAR, we have tried to capture the basic essence of this year and to answer successfully . . .

# SUMMER IS A FUN-FILLED TIME

It is said that summer is a time to relax and to have fun. And so it is done—but even so other things also happen. As some people leave on trips, the partings and good-byes make others sad. As some always find fun at home, others become bored. But then there are always those who look to the new year and begin preparing to make it successful way in advance. The football team, Lionettes, and the band started practicing in August. At the end of the season, they did indeed have something to show for all of their hard work.

Togetherhness is o.k., but let's not over do it.

Mrs. West and friend offered a helping hand in Europe last summer.

As nine members of the annual staff pack for a journalism workshop in San Antonio, Rick Chapman begins to wonder if it's going to be worth it.

Olivia Langdon and Margaret Charlebois experienced a change of pace in Old Mexico.

Guess who thinks that washing cars is a real blast?

Early in the morning, the Lionettes weren't quite as bright as the summer sun.

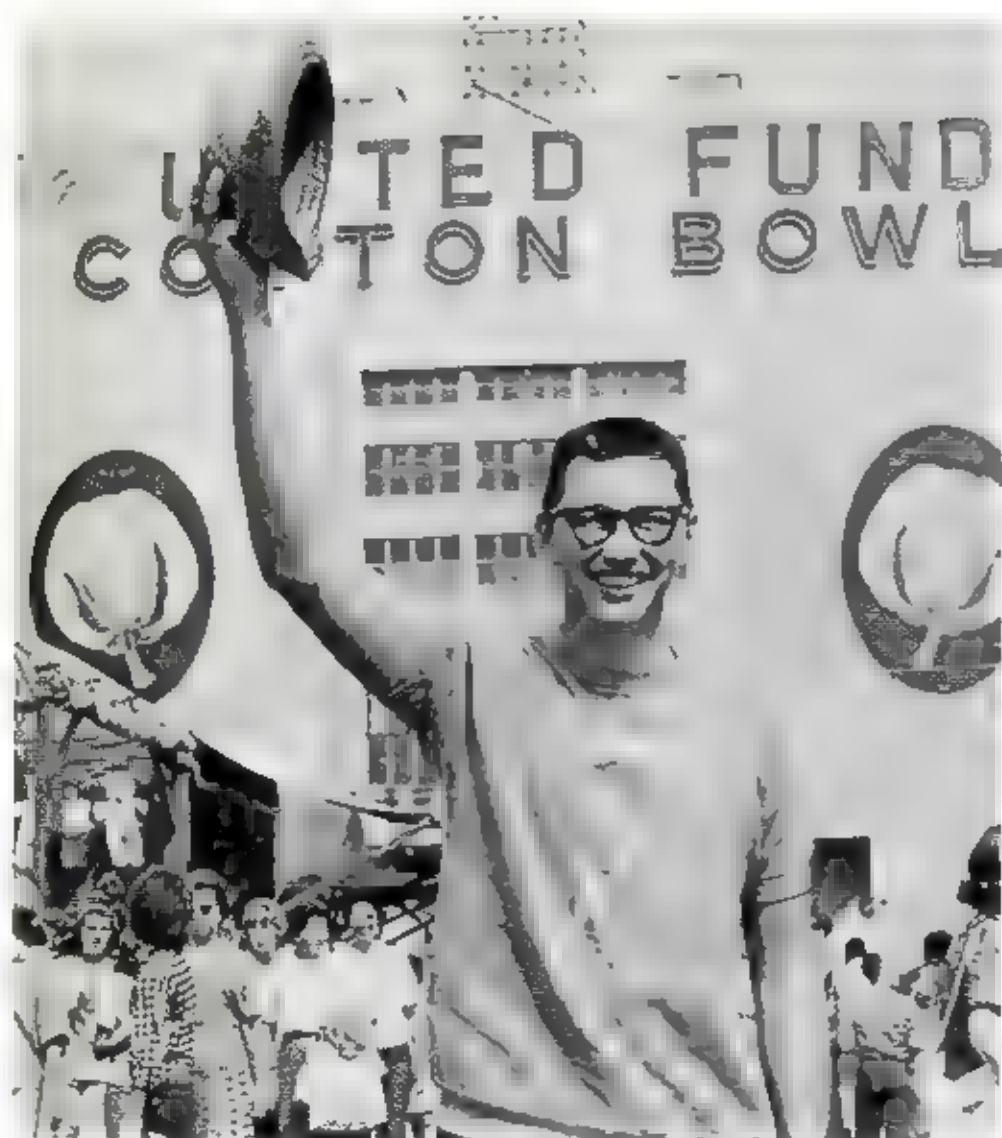

Quick, Mayfield! Turn loose of that ball before this heat melts it!

# FALL MARKS BEGINNING OF NEW SCHOOL YEAR

The beginning of fall heralds a fresh school year at R. L. T. and instigates a variety of activities. This is a time of eagerness and novelty as unexplored fields of learning, recently organized clubs, and unaccustomed situations are approached with renewed vigor. Soon, however, the routine of everyday takes its toll, and, for the students, R. L. T. truly becomes a way of life.

Mike Ferguson displays a big Texas welcome to State Fair visitors.

This gay group can tell you that the Battle of the Bands was a big success.

Please, Lions!!

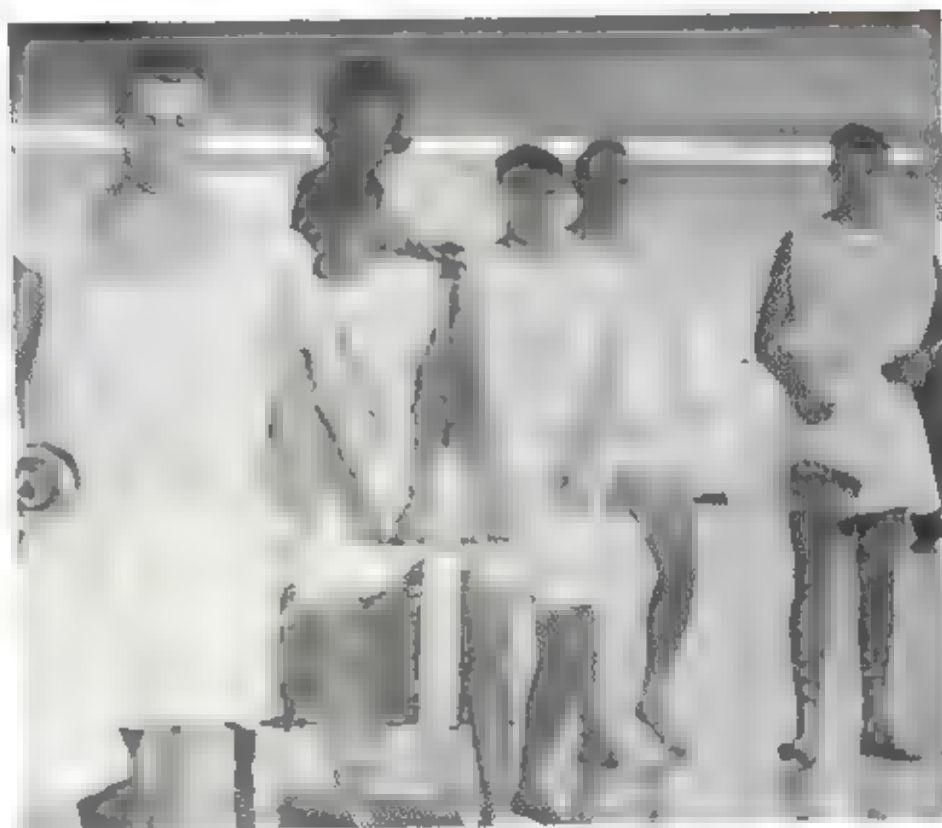

The Lion band and Lionettes displayed a season of colorful shows.

Who's trying out for the Varsity?

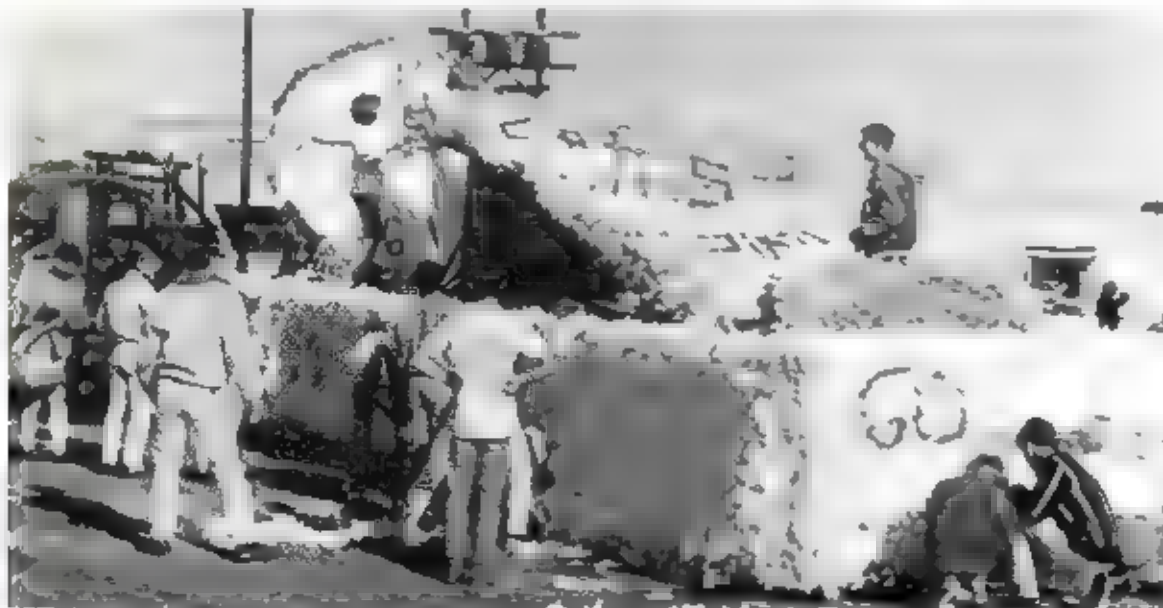

Are these brawny beauties composed of Greek heroes or escapees from a mental ward?

# 1965 HOMECOMING HIGHLIGHTS FALL

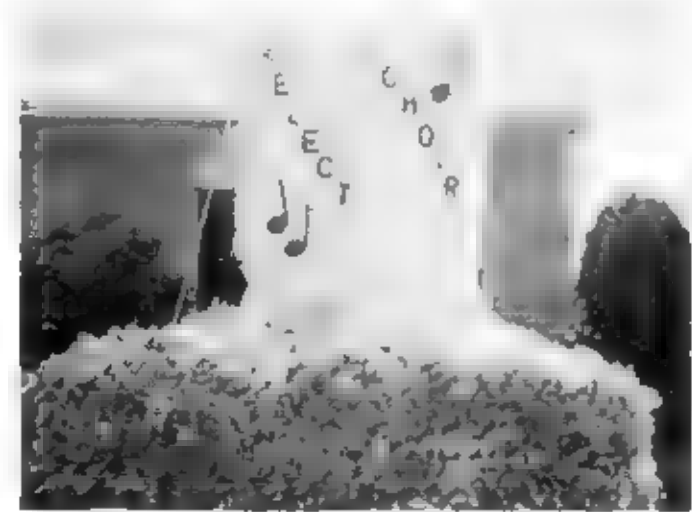

A week before Homecoming, R.L.T. students were faithfully and frantically working on floats and in wood gathering campaigns. A pep rally and the biggest bonfire were held on Thursday night, October 28. The parade formed after school on Friday and was composed of about twenty floats and decorated cars. Later that night the twelve nominees were presented at the game, at which time Penny Newton was crowned as the 1965 Homecoming Queen. After winning the game, students and exes joyously assembled at the school for a dance until 1:00 a.m.

The senior class won first place in the wood gathering contest.

The junior class worked until the last few minutes before the parade started.

The Select Choir tried, but didn't quite make it to the parade in one piece.

I. C. T. won 3rd place in the float contest.

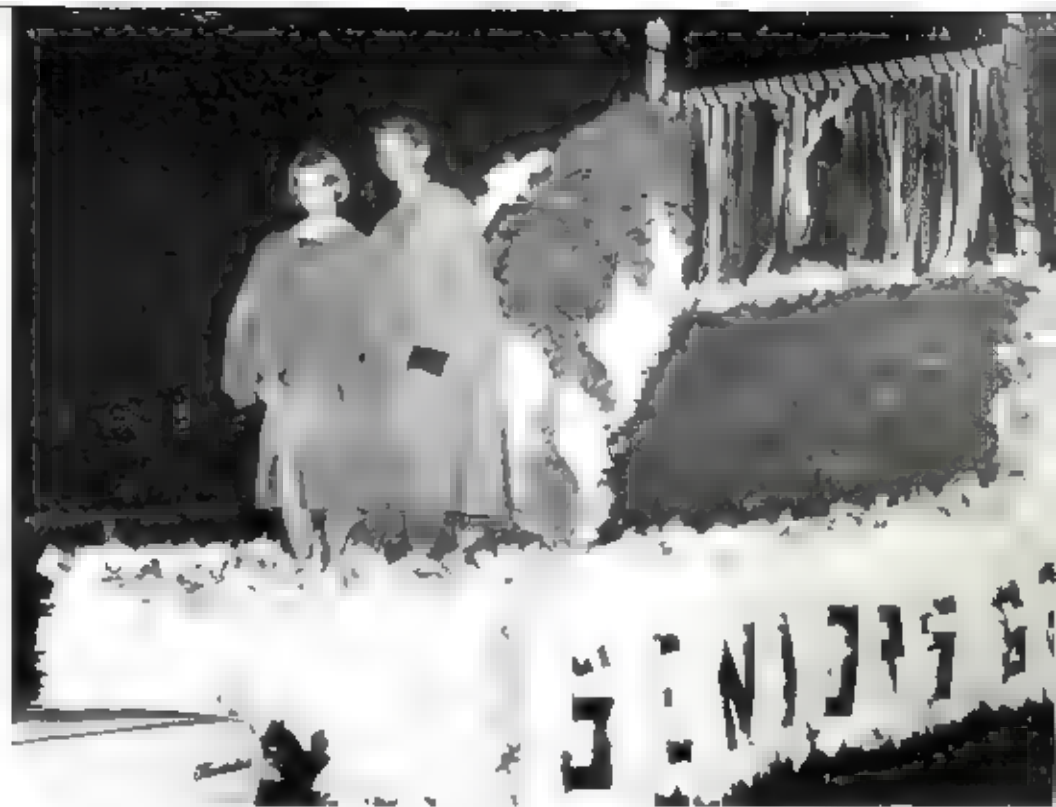

The freshmen started the year off big by placing 2nd in the contest.

The French Club out-did everyone with their 1st place winner.

The seniors were shooting for high goals, but somehow they missed them.

The sophomores swatted the mosquitoes during the parade, and so to stay even, the Lions did the same later that night.

Nominees and their dates.

Senior nominees: Penny Newton, Linda Jameson, Sally Denton.

Junior nominees: Cecilia Brock, Janice Goodell, Kristina Krise.

Too bad that there were not twelve crowns.

Sophomore nominees: Sherolyn Canfield, Sherry Kenedy, Shelia Hall.

Before the twelve finalists were elected, there were about thirty nominees.

Freshman nominees: Debbie Proctor, Patsy Salmon, Melinda Cheney.

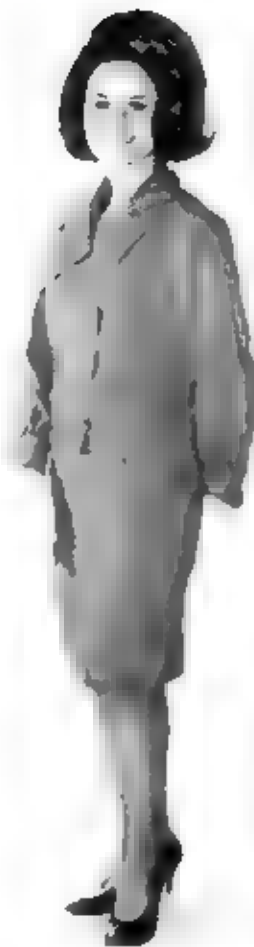

PENNY NEWTON  
HOMECOMING QUEEN

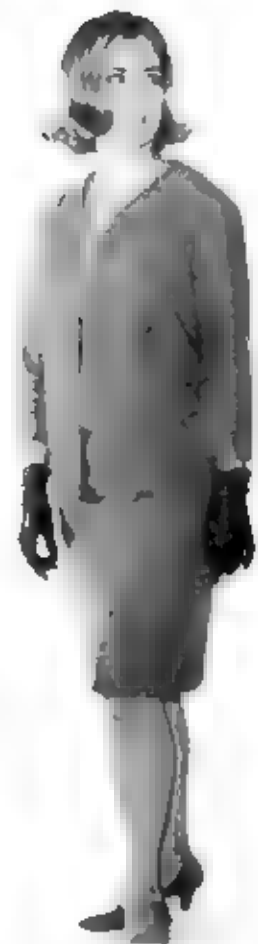

This year the procedure for the selection of the 1965 Homecoming Queen differed from established traditions. In every two homerooms nominations were made, and one girl was chosen as a representative. At one of the pep rallies the thirty semi-finalists were presented, and elections were held for the twelve finalists. Soon afterwards the finalists were caught in the turmoil, nervousness, and most of all, the excitement of the occasion.

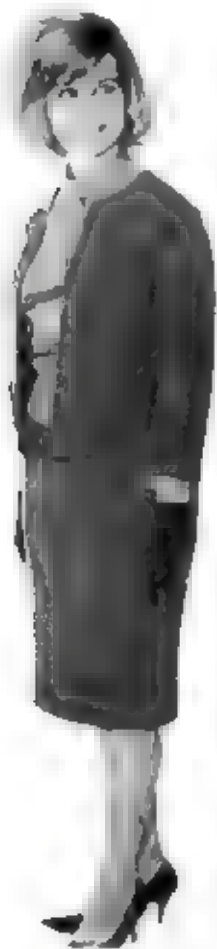

On October 22, the twelve lucky girls rode in the parade, and they were presented at the game during halftime. The queen was announced and was escorted onto the field by Student Council President, Greig Nash. While standing under the arch made by the Band and Lionette majorettes, Miss Penny Newton was crowned as the 1965 Homecoming Queen.

# WINTER MONTHS CAPTURE R. L. TURNER

Linda Mitchell helped the Art Department with festive Christmas decorations.

Before everyone knew it, winter arrived and enclosed R. L. T. students in the excitement of fun-filled events and the anticipation of spring. The Student Council, FTA, and the Junior Class provided much of the entertainment. There were the Christmas and Valentine dances, the Junior-Senior Talent Show, the Teacher-Student ball games, the plays presented by the Senior Class and the Drama Clubs, and many, many more.

Mr Gratke's homeroom had the most *unusual* Christmas tree ...

The FTA Presentation and Christmas dance was even more enjoyable, thanks to Dickie Hutchison

# HONORS

# TOP TEN SENIORS

Graduation is a time for honoring the many students in the class. It is a time to distinguish individuals for their outstanding scholarship as well as participation in the world around them. Although many students achieve the goals that they set for themselves, few are given the recognition which they greatly deserve. In these next few pages of the ROAR, five senior boys and five senior girls, chosen by the faculty, are honored because of their varied abilities and activities, and, thus, they deservedly received the coveted award of TOP TEN SENIOR.

## JOHNNY BLANTON

There is no doubt about Johnny Blanton's ability to lead his fellow students. Johnny serves as president of the National Honor Society, Mu Alpha Theta Math Club, and Science Club. Unselfishly devoting much of his time to others, Johnny is respected and admired by his teachers and fellow students. He has maintained an A average throughout high school, and in his junior year he received the Chemistry Award. The responsibilities that Johnny upholds would seem a burden to most people, but to him they are just another way to serve his school and ours.

## ANGELLA CLEMENT

Angella Clement's friendliness and sincerity as well as her smile are well known and not to be forgotten soon. For three years she has been an outstanding member of her class and served as an excellent representative and example for others to see and admire. Angella's honors are numerous. The first in a long line of honors were her election as Student Council secretary and DAR recipient. She has served as secretary of the Mu Alpha Theta Math Club and Science Club. Angella also is a Dungeon Girl and Band Majorette. Her classmates displayed their confidence in her by selecting her as a nominee for Most Intelligent Girl. Doing her share of work in return, she is often found participating in the activities of the FHA, National Honor Society, and Lion Band.

## SALLY DENTON

A song, a dance, and a charming smile are just three of the attributes of one of our school's most outstanding students. Sally Denton. Sally is not only a talented singer and a member of many clubs, but also a fine artist and an honor student. Her high scholastic average admitted her to the National Honor Society, and her ability to work efficiently with others caused her classmates to elect her junior secretary and class favorite. Most Talented senior girl, treasurer of the Student Council, and Homecoming Nominee for sophomore and senior years are just a few of the many things Sally has done. It takes more than talent and brains to make a good student. To be truly outstanding, one must have not only ability, but also leadership, citizenship, and high character. Sally has all the qualities of honesty, responsibility, and generosity, which has also earned her the title of MISS THS.

## THOMAS HAINZE

Math student Thomas Hainze is one guy who "knows all the answers," at least it certainly seems that way since Thomas has been an outstanding math student for four years. Thomas has taken active part in the Number Sense Program, and he is often a winner in the local contests. To prove his interest in math, he participates in the Slide Rule Club and Mu Alpha Theta Math Club. Thomas is active in Junior Achievement and the JETS Club. His eagerness to cooperate, his ability to grasp any subject quickly, and his sincerity in all his endeavors rate Thomas highly in the eyes of his peers.

## RONNIE KIRCHENBAUER

Ronnie Kirchenbauer is an easy-going and quiet person, but this does not keep him from being a hard worker. Ronnie has participated in basketball as well as in many other activities. He is a two-year member and vice-president of the Chess Club, where all battles are fought over the chess board. His willingness to work with his fellow students is exemplified in his participation in the Mu Alpha Theta Math Club. He is president of the Slide Rule Club and vice-president of the JETS Club. Ronnie has greatly aided the development of the clubs with which he is associated, and, thus, he is deservedly named a TOP TEN SENIOR.

## NOLA LINN

Nola Linn has proven herself to be an invaluable participant and leader in various school activities. She has received many honors, which range from serving as qua-captain of the Senior Powder Puff Team, to being nominated for the DAR Award. The students of THS have demonstrated their confidence in Nola's abilities in many ways. She was a Lionette her sophomore year, and she acted as a captain her junior year. She has been elected as secretary of her class her freshman, sophomore, and senior years and is a two-year member of the ROAR Staff. Nola, a progressive student, has ventured into a college-level English course during the last semester of her high school career. Her scientific endeavors are demonstrated by her membership in the Science Club and a summer course in geology.

## JAMES MAYFIELD

For a perfect example of what a THS student should be, one need only look at James Mayfield. James is a sportsman in every sense of the word, for he displays honesty, sportsmanship, and sincerity in the classroom as well as on the field. Not only a leader in school affairs, James can also be a good follower when teamwork is necessary. James has participated in basketball and football for three years. In football he was chosen as All District Honorable Mention quarterback and captain of our football team. This year he serves as senior class president and FTA president. In addition to these activities, James is a Fire Drill Boy and is MR. THS for '66. His hard work and support have contributed to the success of all these things, and he is truly an important member of our school.

## PHYLLIS McQUEEN

Because "one must be a friend to have a friend," Phyllis McQueen has proven to her fellow students that she is worthy to be chosen a TOP TEN SENIOR. Her vivacious personality and charming smile have paved the way for her nomination for Homecoming Queen her freshman year. Showing the confidence that her classmates have placed in her leadership abilities, she serves as Student Council representative and treasurer of the National Honor Society. Phyllis ranks high as a student and more important as an individual, for she was nominated for the DAR Award and for Most Intelligent Girl. In the past she was a member of the Lionettes and attended a summer session on scholarship at St. Mark's School of Texas. Phyllis is a hard working member of the ROAR Staff and a vital part of the ever-working students at THS.

## LINDA PRICE

A delightful combination of seriousness and fun is Linda Price. Her high school career has been one of many activities and responsibilities. In her freshman year she was nominated for Homecoming Queen, and she became a member of the FHA. She served her sophomore year as a Lionette, and the next two years she served as Head Captain, an unusual and outstanding honor to be placed on a girl for two consecutive years. As a highlight to her career in the Lionettes, she was named the Lionette of the Year and presented to the student body at a pep rally. To top off her senior year, Linda was also nominated for Best All-Around Girl. Ask anyone about Linda's qualifications, and they will tell you she is dependable, industrious, and cooperative to the utmost.

## DICKIE WELLS

Because he has given to his community and to his school, Dickie Wells was chosen by the members of the graduating class of '66 as Most Intelligent Boy. Through his outstanding abilities in the fields of math and science, Dickie was named a National Merit Finalist because of his score on this scholastic test. In past years he has been active in many clubs and now in his senior year is in the Mu Alpha Theta Math Club. Dickie has participated in the scholarship program at St. Mark's School of Texas and is now the Cagers' basketball manager. Dickie's main concern is with the Student Council in which he holds the office of vice-president.

# NHS RECOGNIZES SCHOLASTIC ACHIEVEMENT

No scholastic honor at RLT excels that of membership in the National Honor Society. This society measures the total product of education by the four dimensions of life—character, leadership, scholarship, and service.

Anyone with a grade average of 90 or above and with an A in conduct the first semester of his junior or senior year is eligible for membership. Students are then voted upon by the faculty.

# STUDENT COUNCIL COMPOSES DIRECTORY,

The students of R. L. Turner felt confident that their Student Council tried to do its utmost to fulfill its student body's needs and wants.

Every Tuesday, our Council met to discuss what was best for the student body and what needed to be done to improve our school.

Special projects this year involved sponsoring school dances, giving scholarships to Seniors, composing a student directory, putting an insignia on the gym floor, sending representatives to the T.A.S.C. Convention, and supporting all District Three Meetings.

# BLUE BELLES

Consisting of fourteen peppy girls, the Blue Belles perform at all home basketball games and at some of the out-of-town games. To be selected a Blue Belle, a girl must be willing to learn dance and drill routines and must be poised, attractive, and intelligent. This specially talented group is one of the hardest working organizations at Turner High. Under the guidance of Mrs. Mable Jones, the Blue Belles have become a tradition at basketball games.

# LIONETTES

A closely-knit group consisting of seventy girls and their sponsor, Mrs. Mable Jones, is the R. L. Turner Lionettes. Because of time spent together in summer practice, in morning workouts, at football games, and at sixth period, these winsome girls have developed lasting friendships.

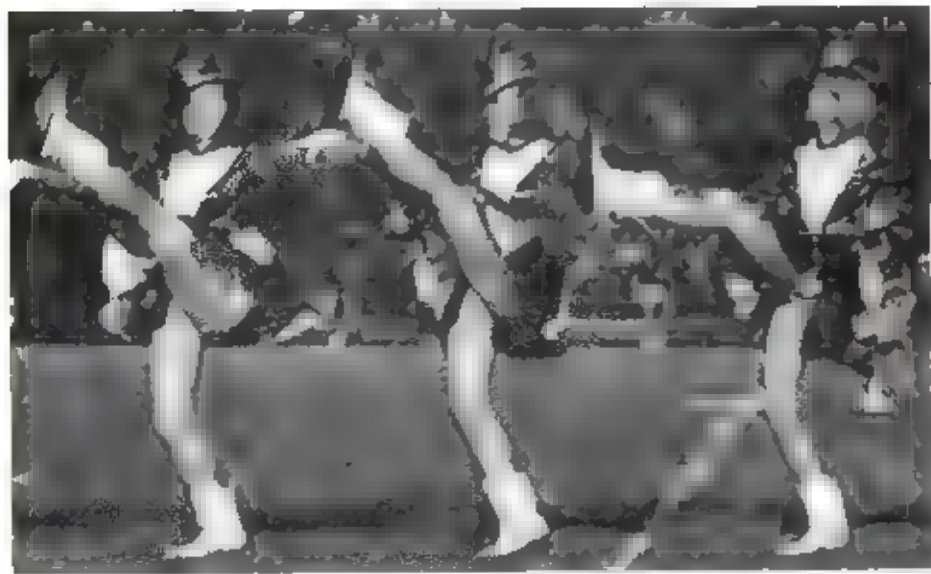

Two weeks before school opened, the Lionettes learned field formations for the football half time shows. The rewards of the preparation, determination, and inspiration which go into the perfecting of a drill team routine, came when the girls competed with other high school drill teams in the Dallas area.

All through the football season the Lionettes supported the football players all the way. Introducing a new idea to promote school spirit, the Lionettes placed booster posters in the boys' lawns the night before the big games.

The end of the year closed with a banquet, which was sponsored by the Parent Booster Club at Wyatt's Cafeteria. As the old gave way to the new, another year began for the Lionettes, a year which brought many hardships coupled with manifold joys.

## LIONKEEPERS PAMPER LINUS

Being a Lionkeeper may seem simple enough to unaware students, but behind the common faces of these chosen Turner students are courageous defenders of our mighty mascot, Linus.

These keepers see to it that Linus is present at all pep rallies, take him to and from all ball games, and furnish him warm shelter between his public appearances.

The R.L.T. Lionkeepers are plotting against the thief who stole Linus' tail.

Linus and bodyguards, Chris Salas and Mike Rogan, watch proudly as the Lions win again!

# LION BAND STEPS HIGH AND PROUD

This year the Lion Band began anew with the installation of forty freshmen and a new director, Mr. Ken Harris. With his knowledgeable leadership, the band's accomplishments surpassed their previous history. Never before had the band suffered and sacrificed so much and yet been such a tightly knit group. It was evident at every public appearance that the '66 band was indeed a group that worked and played well together.

In the fall, besides the pep rallies, half-time shows, and parades, the biggest goal for the marchers was the U.I.L. contest. As a result of the seemingly endless rehearsals, the band received a first division rating in uniformity inspection and a second division rating in marching performance. The practicing did not cease here, however. Nine members went to the All-Region Band try-outs, and Cerecia Brock was chosen a member. In the spring the U.I.L. concert and sight-reading contests was the climax to a successful season.

In the Farmers Branch Western Day Parade, the band traded its uniforms for western attire.

The band played on, despite the darkness at the Homecoming Bonfire.

Only the best bands do not need music.

Have you ever met a musician? Well, you have if you know the doll or any of the eighteen swinging guys in the Stage Band. The combined talents of these kids make-up one of the finest high school stage bands in the state.

Everyday, fifth period is spent filling the band room and surrounding halls with the sounds of jazz, swing, and melancholy blues. Under the direction of Mr. Ken Harris, the members are taught music and instrument improvisation. This year the Stage Band participated in assemblies, concerts and in state contests at S.M.U. and Brownwood.

At public appearances the Stage Band demonstrates precision showmanship in musical performance.

To promote interest and appreciation in art, the Art Club launched the year with an art exhibit. The club obtained replicas of famous paintings and charged a small fee to view the show. The sum collected was used to buy the pictures which in turn were used to decorate the school offices.

Examples of creative work displayed by the members were the festive Christmas decorations which put the entire student body into the holiday spirit.

*V. Pres.* ..... Katha Henry  
*Sec.* ..... Patsy O'Neill  
*Treas.* ..... Paula Moreley

Lion Theater and Backstage Majority were organized to serve RLT. The major purposes of the clubs are to establish a better understanding of drama and to create interest and enjoyment in plays. Members attend other plays in the area as well as produce their own.

Miss Branson, a new teacher at RLT, went to work at the beginning of the year to make both clubs possible. Because Miss Branson has given her advice and understanding, the clubs have both had a successful first year.

Club life is filled with activity and surprises. These may range from a trip to the Dallas Theater Center and a visit with the stars, to the wild excitement that rages backstage when one of the clubs is producing a "Spectacular." All members have to participate in the activities in order to gain points for "full membership" privileges.

Auditioning for a play part sometimes calls for unknown abilities.

# JUNIOR ACHIEVERS GAIN

The purpose of Junior Achievement is to teach students the inside work of running a business. It achieves this purpose by letting students form corporations and be in complete charge of them with only a very small amount of assistance from the advisors. These advisors are successful businessmen who are capable of helping Achievers when their businesses come to a standstill.

Through the year, company members sell stock, make products, and then sell these products. This is done to let them get the feel of starting a business and keeping it going. Otis Engineering Company has once again let the J.A. companies meet in its building every week.

# COSMETOLOGY CLUB SERVES MEMBERS AND PUBLIC

Among the many opportunities our school offers us, cosmetology is one of the most useful ones. By taking cosmetology for two years, girls may obtain an operator's license and be considered a beautician.

Cosmetology is a three-hour course for five days a week. Its purposes are to teach the girls the secret tricks that all professionals must know in styling hair and to teach them how to style their own hair in a way most becoming to them.

Cosmetology has gained recognition by serving the public

The purpose of the Math Club is the promotion of scholarship in, and enjoyment and understanding of mathematics among high school students.

Sponsored by Mrs. Johnson, the Math Club meets on specified mornings of each month. To become a member a student must have completed two semesters of algebra, two semesters of plane geometry, and must have completed or be currently enrolled in a third semester of algebra. These students must also have a mathematics average of 85 and an overall scholastic average of 80.

For those students who feel that their future will lay somewhere in the field of distribution or salesmanship, R. L. Turner furnishes a program of Distributive Education. This program provides an hour in school and time after school and on week-ends for training in retail merchandising.

Students develop leadership in the field of distribution and become aware of the opportunities in the American system of free competitive enterprise. They also learn the importance of cooperation and self-control when coming in contact with people of the public.

All D.E. students will certainly agree that the guidance of Mr. Gene Minarik, their sponsor, has been a great asset to the Distributive Education Program.

# ICT TRAINS STUDENTS FOR OCCUPATIONS

Students who feel they can handle two jobs at once have the opportunity to do so by taking Industrial Co-operative Training. All I.C.T. students are members of the I.C.T. Club.

The I.C.T. Club helps its members to see and to understand the many phases of industrial work. Every member holds a job in the industrial field. The program makes it possible for students to work and to attend school at the same time.

## CHEMISTRY II CLASS

For those students who wish to further their scientific knowledge and increase their experimental abilities, RLT offers Chemistry II, an advanced chemistry class. This course allows the students to develop further into aspects of various problems and prepare them for more advanced chemistry classes in college.

Because of the small class, Mr. Dickson is able to give individual aid which would be impossible in classes of a larger size. Smaller classes enable the students to be more inquisitive about their problems and to question facts rather than just to accept them.

*The class is not only interesting but amusing at times as well.*

Future Homemakers of America is an organization of girls interested in learning by doing and broadening their horizons. Their flower is the red rose, and their motto is, "Toward new horizons." Their colors of red and white symbolize strength and sincerity.

The eight purposes of FHA, symbolized by the octagonal seal are: to promote a growing appreciation of the joys and satisfactions of homemaking, to emphasize the importance of worthy home membership, to encourage democracy in home and community life, to work for good home and family life for all, to promote international good will, to foster development of creative leadership in home and community life, to provide individual and group recreation, and to further interest in home economics. As stated in their creed, the Future Homemakers face the future with warm courage and high hopes.

The Latin Club began the year with the orientation of new members. The sponsor, Mrs. Peggy Shelton, led the club to newer and better heights of increasing interest. The club also had games and refreshments to serve at the meetings. Selling donuts in the teachers' lounge was a fund-raising project. One might say that the Latin Club has truly shown R. L. Turner the true "Roman Way."

*First Row: Mr. Green, Shelton, Stevens, Sostecke, McGowan, Sewell, Dodd, Deaton, Mitchell, Clement, Mrs. Jones. Second Row: Spiker, Hensley, Posey. Third Row: Mosher, Mitchell, Hilliard, Metcalf, Lester, York, Pruitt, Adams, Mrs. Hill. Fourth Row: Dillard, McDonald, Brinson, Lesley, Hedrick, Mrs. Redfearn.*

The work that the Dungeon Girls do is not always easy and fun. Often, there is much confusion and *everyone* is needed to carry out the many jobs. Girls who would like to learn more about office business and management should apply in the office for this work. Most of the girls are chosen by Mr. Green and approved by the office personnel.

With the aid of the Dungeon Girls, all office matters are under control ...

# FIRE DRILL BOYS ARE PREPARED

At the beginning of the school year the Fire Drill Boys, with the help of Mr. Dunn and Mr. Green, set up a program for classrooms to follow in case of a fire or other emergencies. Fire Drill Boys at R. L. T. learn how to keep students under control in case of a fire. Boys are stationed on both floors during the fire drill to direct students out of the building.

# LIONS HAVE SUCCESSFUL SEASON

The Turner Lions began a season which had several disappointing set-backs in the opening games. The first two district games, against Denison and Sherman respectively, almost proved fatal to the mighty Lions. Moving into the winning column with a 14-0 victory over Denton, the Lions slid back with a loss to Garland. The turning point came, however, with the homecoming victory over Mesquite. The Lions finished the year with four exciting victories over Mesquite, Richardson, Paris, and Highland Park. The team closed the season with five wins and three losses in district play. Seven players were rewarded by being named to several honor teams. Thus, though starting at the bottom, the R. L. Turner Lions concluded a very successful season.

Iey, Hetherington, Earl, Thompson, Holton, Simpson, Aaron, Kirkland, Gilbreath.

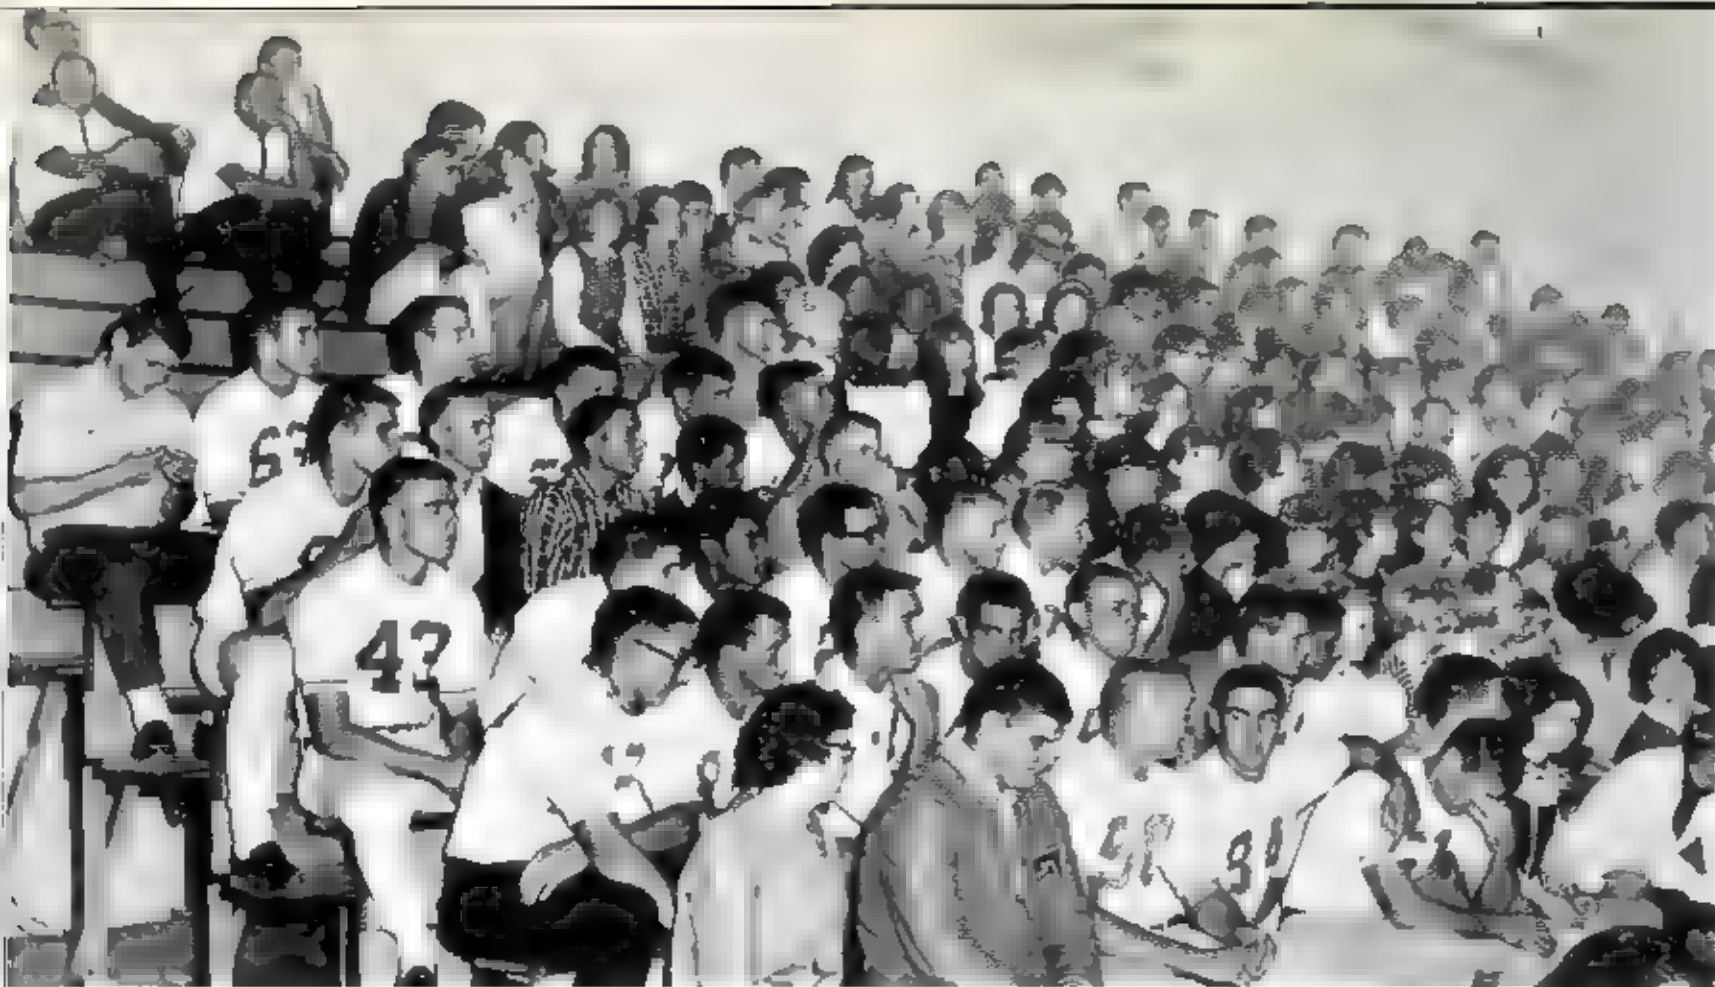

The Lion Coaches are: Joe Crousen, Rex Norris, Tom Beasley, Nolan Poovey, Doug James, Don Mraz.

## LIONS CLOSE DISAPPOINTING SEASON WITH 9-13 RECORD

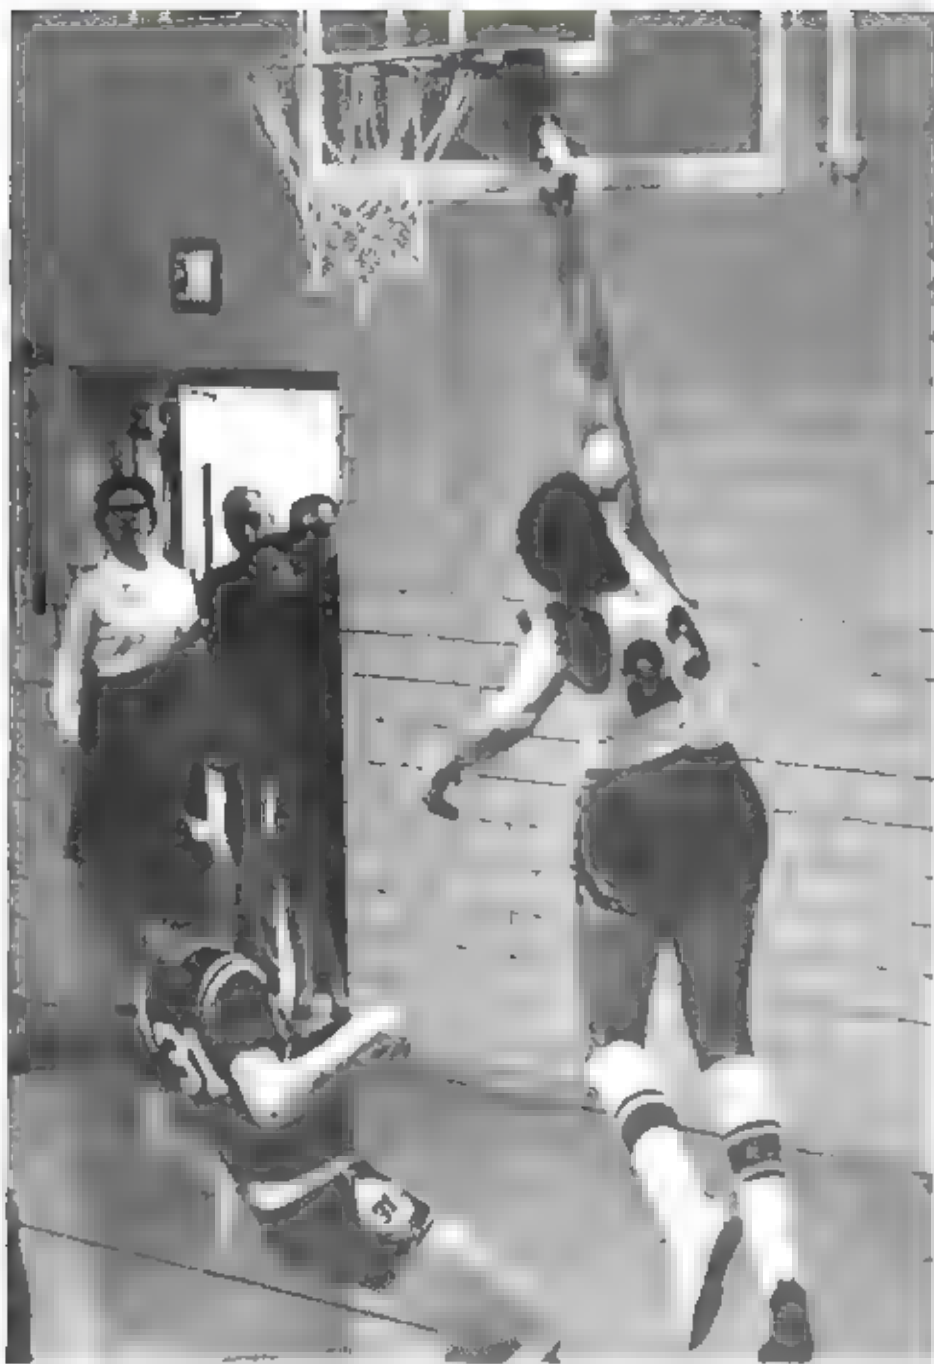

COACH J. T. PARISH

The determined lion cagers demonstrated true Turner spirit throughout a season which was mostly disappointing. Sweeping to a first-place victory at the Denison Tournament, the eager lions fought for a district championship.

Owning a 9-9 record before district play, the team, often being edged by a few deciding points, lost some and won some. Closing the season with an 11-15 record, the lion cagers surrendered all hopes of a championship.

## GOLF TEAM BEGIN

"First or Bust" are the key words for this year's R. L. Turner Golf Team. As the Golf Team begins its fifth year, the team vies for first place in district competition. With Coach Bill Thrash as their sponsor and eight skilled players, including two four-year lettermen, the team has good prospects of doing just that.

Among other games to be played, the Golf Team will participate in the Southwest Recreation Golf Meet and the Dallas Invitational High School Golf Tournament.

## TENNIS TEAM SERVES A VALUABLE PART OF ATHLETICS

With the addition of a new tennis court and the unequalled talent of Coach Weiss, the Tennis Team strives to make tennis an important part of the sports activities at R. L. Turner. Practicing during sixth period and many hours after school, the tennis team develops its talents to a greater extent.

The team's efforts have been rewarding many times, especially with Frank Treadaway and Arthur Gonzales playing in the semi-finals in the Thanksgiving Tournament. The team has also played in the Cotton Bowl Tournament and in the Garland Tournament. Their district games will be played on April 15, and 16.

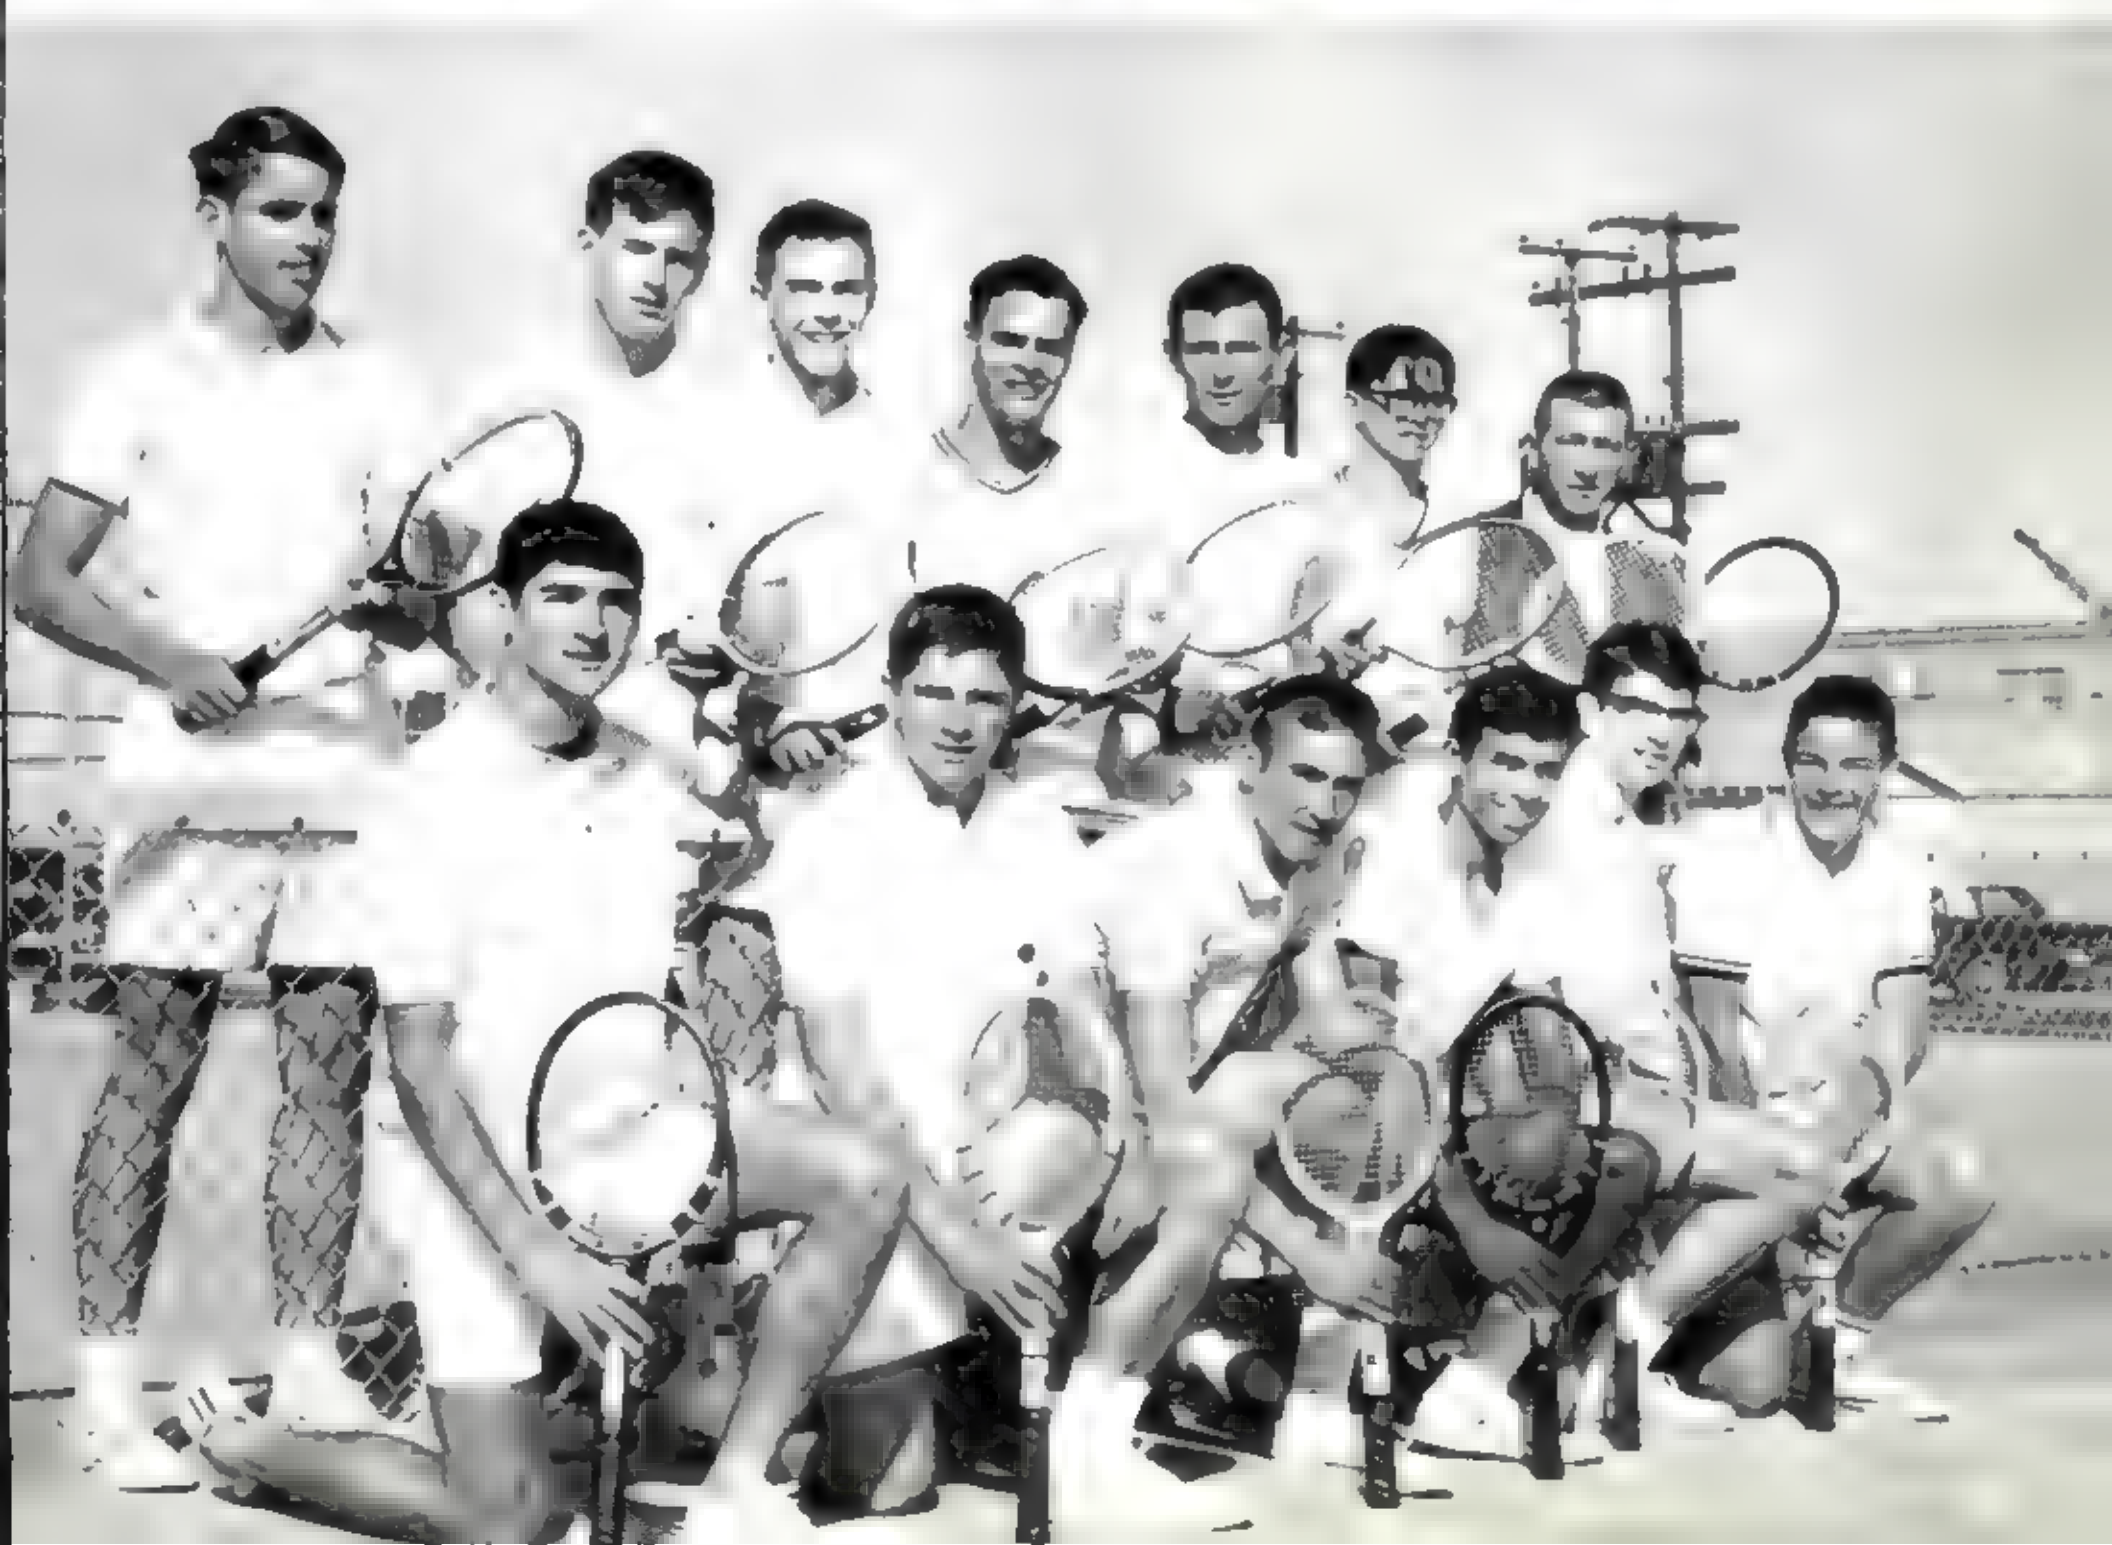

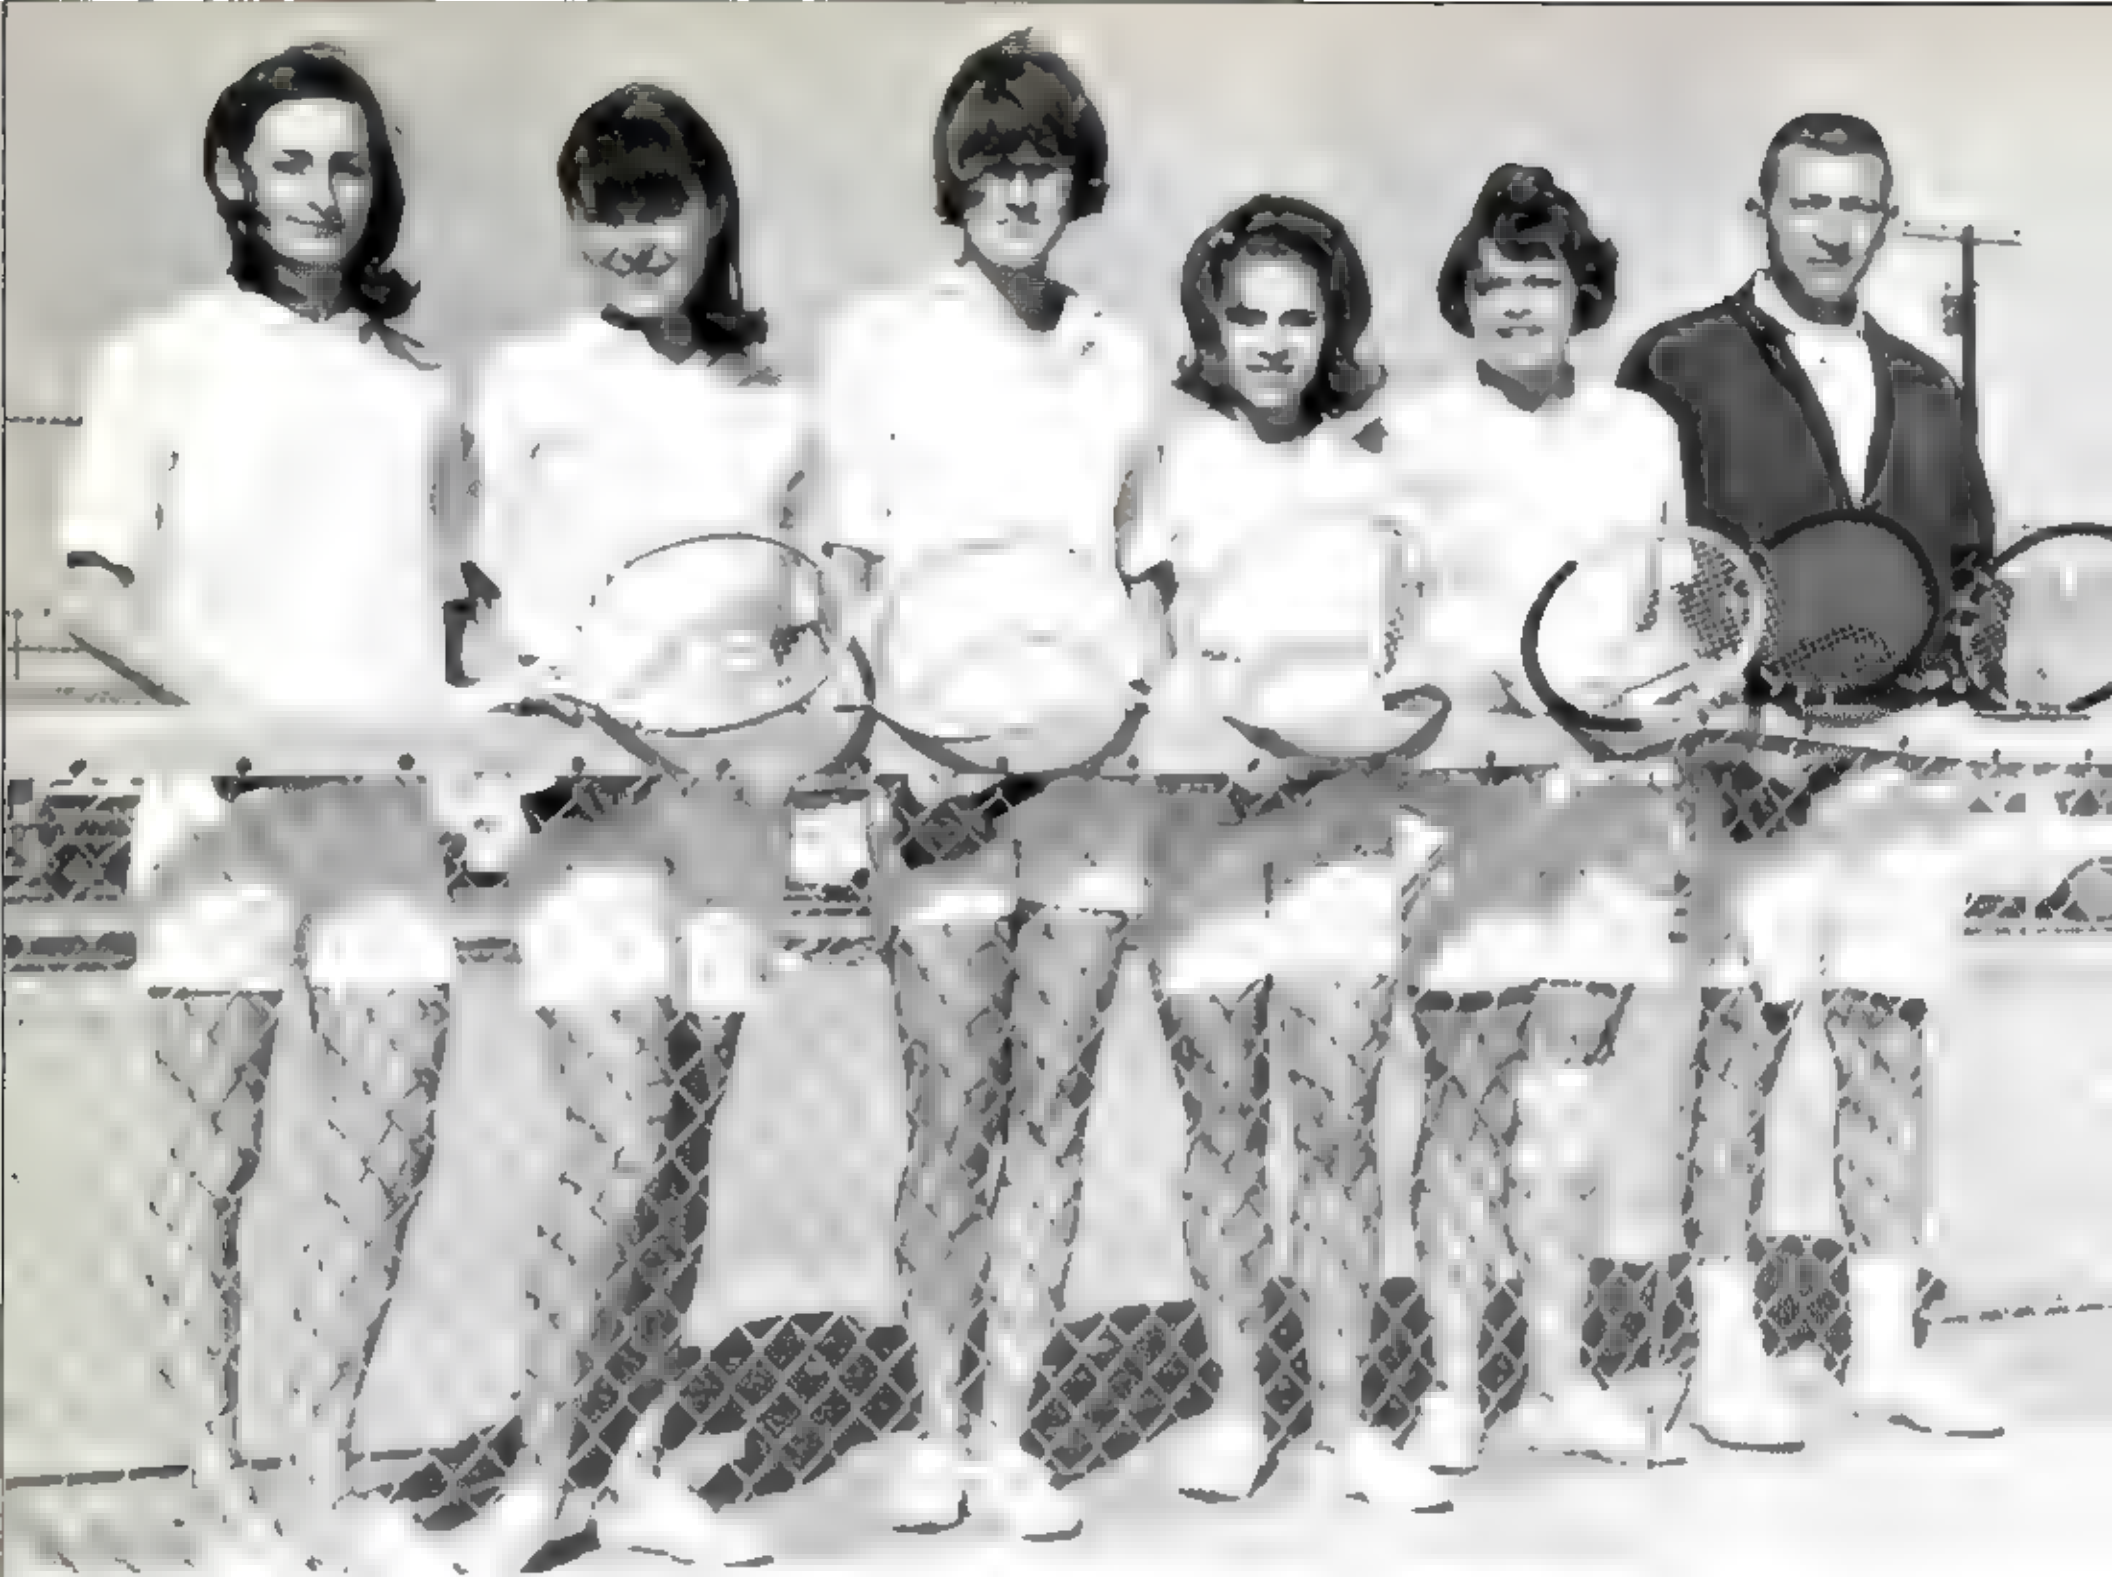

The Tennis Team spends many hours during and after school practicing on the new playing court.

# OR THE 1966 SEASON

Not only did R. L. Turner gain a new coach and baseball field, but she also gained a new and even greater team as well. Due to renewed vigor and enthusiasm, this year promises to be the best baseball season R. L. Turner has ever experienced.

The infielders were not only capable in the field, but they were also of great worth while at bat. The outfield was equally as competent as the infield. The eight new members were led by eight returning seniors and one returning junior.

*Infielders: Bowman, Gunn, Montgomery, Hill, Salas, Montero*

The School Board is a group of gentlemen who determine the policies under which our school functions. Their sincere concern and dedication is directly evidenced by the wise decisions they have made for the betterment of R. L. T.

## PRINCIPAL

**MR. HOWARD DUNN**

Mr. Dunn has, in one short year, already left an unforgettable impact upon R. L. Turner High. With his steadfast principles and understanding personality, he has succeeded in gaining the respect and friendship of the entire school.

## ASSISTANT PRINCIPAL

MR. W. B. GREEN

Mr. Green has become a living legend to anyone associated with R. L. T. His cooperation and consideration for every individual have succeeded in providing an extra element of pleasure to the routine of school life.

# OFFICE PERSONNEL KEEP R.L.T. RUNNING SMOOTHLY

Keeping attendance records, making announcements, excusing absentees, and recording permanent records represent a minute fraction of the duties attended to by the office personnel. These ladies type, write letters, make phone calls, and generally take care of all the business which keeps the administration office functioning effectively. The nurse has the responsibility of coping with any illness or accident which might happen during school hours.

# GUIDANCE DEPARTMENT ADVISES AND DIRECTS

The counselors of RLT are three of the busiest people in the school. They assume the headache of senior graduation and at the same time attend to the underclassmen by administering various types of tests. However, the counselors are always available for consultation with any student who has a problem or grievance.

# ENGLISH DEPARTMENT STIMULATES AWARENESS

In today's highly developed technology, the ability to communicate is of vital importance. To enable every student to express himself and comprehend the thoughts of others is the goal of the English Department. The Creative Writing Club offers an additional mode of stimulation to interested students.

# MATH DEPARTMENT PROVIDES VITAL INSTRUCTION

Mathematics is a unique field which combines brains with practicality. It presents problems which challenge students while deriving solutions. The habit of logical reasoning is developed and proves applicable to many other phases of study. The Math Club and Number Sense Program provide activities of a mathematical nature.

# SOCIAL SCIENCE EMPHASIZES CITIZENSHIP

Citizens of tomorrow find competent training in the aspects of American government in civics, economics, history, and geography. These courses teach the principles of democracy and discuss social problems. They develop an appreciation for freedom and equality, the corner stones of the American creed. Special speakers, films, and current events add emphasis to lectures and discussions.

# LANGUAGES AID IN INTERNATIONAL UNDERSTANDING

With the "shrinking" of the world, the importance of foreign languages in secondary school programs has been recognized. Nations must be able to communicate as effectively between individuals as they do between interpreters.

R. L. Turner offers two years of French, two years of Latin, and three years of Spanish. Students have access to modern language labs, tapes, and records to aid in comprehension and fluency.

The French, Latin, and Spanish Clubs provide programs and additional information which increase knowledge of the language and a greater understanding of the people who use it.

# HOME ECONOMICS INCREASES EXPERIENCES AND ASSURANCE

The role of a homemaker is strenuous and demanding, yet rich in personal reward. It directly influences the future of our country, for it is the home which forms the basic opinions and attitudes of our youth.

A successful homemaker must have training and ability. Girls are taught the fundamentals of the subject in lessons on child care, family relations, housing, home decorations, food preparation, sewing, and care of the sick.

# BUSINESS COURSES FOSTER ACCURACY

The Business Administration Department strives to prepare students for immediate employment openings in the business world. It provides a solid foundation in the basic skills necessary to clerical and secretarial work by offering typing, shorthand, bookkeeping, business law, business mathematics and general mathematics. By virtue of this program, students may become self-supporting after graduation.

Throughout the high school years, certain individuals emerge as outstanding members of their class. These students have succeeded in making a definite and favorable impression upon their classmates. Each year the senior class recognizes these prominent students by voting a boy and girl as recipients for each of the Senior Superlative titles.

Those chosen as "Most Intelligent" are noted not only for good grades, but also for their innate intelligence. Winners of the title "Most Likely to Succeed" have the confidence of the entire senior class supporting them in the climb toward the fulfillment of their goals.

Sally Denton and Ray Rodriguez, the "Most Talented" recipients, have shared their accomplishments with their classmates and provided many hours of entertainment and enjoyment. The qualities of friendship and good citizenship are personified by the boy and girl designated as "Friendliest", and the students voted "Best All-Around" are outstanding examples of the type of students which the senior class most admires.

Each of these titles is an honor bestowed by the senior class to express the pride it feels in the accomplishments and qualities of its noteworthy members.

## Remember when this was pocket money?

By now you've probably come up in the world. But chances are you're still carrying loose money the way you did way back when.

Ever thought about opening a checking account?

Commonwealth National Bank has one especially for you. It's called a "Cap n Gown" account. You get your own personalized checks.

And there are no service charges or minimum balance requirements. We defray the cost by an initial charge of 3¢ per check instead. A minimum quantity of checks is 50 so the cost is \$2.50 plus 5¢ tax.

Come see us. And get a sound start on your financial future... even if you're still in the 50¢ category.

## FARMERS BRANCH FIRST ASSEMBLY OF GOD CHURCH

Jesus Christ the same yesterday and today and forever.

Hebrews 13:8

If we confess our sins, He is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness.

I John 1:9

But ye shall receive power, after that the Holy Ghost is come upon you: and ye shall be witnesses unto Me both in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost part of the Earth.

Acts 1:8

For the promise is unto you, and to your children, and to all that are afar off, even as many as the Lord our God shall call.

## WE THANK YOU

The 1966 *Roar* staff expresses its special gratitude to the following persons and groups.

The ADMINISTRATION AND FACULTY, for their understanding of the problems in the publication of an annual and for their support of yearbook activities.

MR. JOHN GAY, for the time and energy he devoted to the class, sport, and organization pictures

MR. JOHN RAMSEY, Taylor Publishing Company representative, for his assistance and encouragement

The many ADVERTISERS, for their trust and support

The STUDENT BODY, for their cooperation in having their class pictures taken

MRS. SARA HUDMAN, sponsor of the *Roar*, for her unrewarded abilities and for her warm and generous personality which made it possible for the staff to accomplish its goal—a better yearbook

**PICTURES IN THIS ANNUAL OF THE  
ORGANIZATIONS  
SPORTS  
FACULTY  
AND ALL PORTRAITS  
HAVE BEEN FURNISHED BY**

So  
a real  
sweet nut years  
2 hope our years  
together are as fun  
as this one has been  
your a really neat kid  
Love Glenna

I like you,  
I like you,  
The Hell with it,  
Harold Shinn  
Fish 65-66

To a real sweet  
girl with a great  
personality. I  
wish you all the  
luck in the world.  
Stay as nice as you  
are and you'll always  
have lots of friends.  
Love ya  
Carol L.

Barbara

Good Luck,

over

the following years

It's a friend who I hope  
our mother will not  
make me experience.

To Vicki  
a real sweet  
girl who's been fun  
knowing in gym.  
good volleyball player  
too. Good luck in future  
Betty

(Hullo! Hullo!)  
(For whatever it's  
worth) ~~at~~ ah!  
Well what else  
Can I say I've already  
signed all I can think  
of in your other  
Annals so, lots of  
Love
